

Neo Port is an international wholesale company of quality merchandise from Asia. Its major lines of products consist of arts and crafts, home accents, clothing and fashion accessories.

## FABRIQUÉ À PARIS

The company created a subdivision for the sale of Château de Versailles handbags of haute couture standards. The chic design and refined finish of each of these handbags redefine urban luxury.

## VISION

Neo Port along with its employees share common values that are essential in building and achieving its philosophy: to fully support innovative designs and ideas in a dynamic environment.

## NETWORKING

The wholesale outlet and main office being headquartered in Montréal, Neo Port operates manufacture facilities throughout China and maintains a solid network with good standing manufacturers in Southern Asia. This strategy enables the company to consistently offer customers increased value for their merchandise.

## WORKING TOGETHER + COOPERATION

At Neo Port, we bring people together. Our product lines are constantly renewed to adapt to the rapidly changing needs in the retail world. We base our success on strong business partnerships with our clientele as a reliable supply source.

Neo Port holds exhibits at major Gift Show venues throughout Canada. Locations include Montréal, Toronto, Edmonton, Calgary, and Halifax. Neo Port is also a member of the Canadian Gift & Tableware Association.
